REF: July Monthly Report (06/01/2012 -06/30/2012)

An amended report has been filed on 9/5/2012 for the above referenced report in response to your letter dated August 1, 2012.

The Ron Paul 2012 Presidential Campaign Committee Inc. follows the Federal Election Commission's requirements for "Best Efforts" to acquire the identity, address, employer and occupation of those individuals contributing in excess of \$200 in an election cycle.

All original committee solicitations include a clear and obvious request for the contributor information informing the contributor of the requirements of federal law for reporting of such information. If the information is not reported by the contributor, the Committee makes one follow-up effort by mail, e-mail or telephone to attempt to obtain this information. The information is requested without solicitation of a contribution. A pre-addressed return envelope is sent with every mailed request. If the committee receives the contributor information after a contribution has been reported, an amended report is filed or the information is included with the next regularly scheduled report as a memo entry on Schedule A.

Sincerely,
Lori Pyeatt
Treasurer
Ron Paul 2012 PCC Inc.
